

Stative Verbs – Practice 2: Answers and Feedback
Present Perfect Progressive and Present Perfect

1. It's so noisy here! Everyone **(a) has been talking** **(b) has talked** to each other all night.
(This verb is expressing an action.)
2. Mary got bored, so she **(a) has been looking** **(b) has looked** out the window.
(This verb is expressing an action.)
3. Bob **(a) has been having** **(b) has had** a hat on all night. Why won't he take it off?
(This verb is expressing a state, not an action.)
4. The food has been great! There have been many different dishes to choose from because some people **(a) haven't been liking** **(b) haven't liked** some dishes.
(This verb is expressing a state, not an action.)
5. Some of the guests **(a) have been preferring** **(b) have preferred** not to dance.
(This verb is expressing a state, not an action.)
6. Jodie has not been having a good time. Poor Jodie! He **(a) has been thinking** **(b) has thought** about his TOEFL test tomorrow.
(This verb is expressing an action. Here "think" doesn't mean "believe" or "know." It's the action of having thoughts going through his mind.)
